

Our Learning Journey in Yr2 – Spring 2022

In Literacy we will be:

- Reading traditional tales (The Three Little Pigs)
- Continuing to develop our decoding and comprehension skills
- Writing an extended story inspired by our key texts
- Learning about The Great Fire of London and recording our knowledge in a variety of ways
- Developing research skills using books and ICT
- Focusing on grammar and punctuation, eg question and exclamation marks.
- Exploring a range of texts and developing our reading skills through guided reading sessions.
- Writing for different purposes including; letters, non-fiction, stories and instructions

In Numeracy we will be:

- Learning our 2, 5, 10 and 3 times tables
- Using practical resources to multiply and divide
- Learning to multiply by drawing arrays
- Learning to divide by drawing groups
- Recognising and describing 2D and 3D shapes
- Finding fractions of shapes and quantities
- Counting in fractions
- Continue to improve our mental maths during fluency lessons

International Primary Curriculum (IPC) Topic – Buildings

As part of our learning in History we'll be:

- Learning how buildings were made in the past
- Creating a timeline of buildings through time
- Discussing how buildings have changed over time

As part of our learning in International we'll be finding out:

- About the different houses people live in, in different countries
- Exploring what traditional houses are like in the countries we are from

As part of our learning in Science we will be:

- Testing the strengths of structures
- Learning about the different materials used in structures

As part of our learning in Geography we will be learning:

- About different houses, homes and other buildings around the world
- How to use maps and atlases to locate the different countries these buildings are in

As part of our learning in Art we will be learning:

- Drawing pictures of local buildings
- Weaving our own IKAT designs inspired by our host country
- Printing using foam boards

As part of our learning in Music we will be learning:

- About the different structures of tunes and songs
- Composing our own music
- Recording our own compositions on paper

Local Community Links

- Looking at buildings from our local area.

National Community Links

- A focus on the England as our home country.

International Community Links

- A focus on Cambodia as our chosen host country.

In Religious Education we will be exploring 2 different topics.

Spring 1

Rules and routines. We will be exploring why we have rules and routines and how they help us in our everyday lives and from the viewpoint of different religions

Spring 2

Beginnings and Endings. We will be exploring how beginnings and endings are marked in special ways in different religions and our own lives.

As part of our learning in Science – we'll be finding out:

- the basic nutrition groups
- the names of parts of a plant
- what plants need to grow
- about food chains

In Design Technology we will be learning:

- How to make picture frames
- How to make a strong, sturdy structure.

In P.E we will be:

- Learning to skip using a rope
- Making different shapes with our bodies
- Learning how to attack and defend in team sports (football and tag rugby)
- Developing our balance and coordination

Help at Home

- 30 minutes weekly homework from chosen task on Homework bingo grid.
- Support with reading three times a week (every 1 hour = one raffle token for million minutes).
- Help learn weekly focused spelling words.
- Help to practise and recall number bonds (to 10, 20 and 100) and times tables (2, 5 and 10)

In PSHE we will be:

- Learning to understand our role within the class community
- Developing a sense of understanding of our role within the local community.
- Discussing the importance of community.
