

Our Learning Journey in Year 5 – Spring Term 2022

In Literacy we will be learning:

- Developing spelling, punctuation and grammar skills needed in our writing.
- Exploring a range of texts and developing our reading skills through guided reading sessions:
 - Percy Jackson and the Lightning Thief
 - Who Let the Gods Out
 - Variety of Greek Myths and Legends
 - Arthur and the Golden Rope
- Developing our understanding of different text types:
 - Narratives
 - Myths
 - Instructions
 - Non-Chronological Reports
 - Consolidating text types that we have learnt during the Autumn term.

In Numeracy we will be learning about:

- Multiplying 2, 3 and 4-digit numbers by 2-digit numbers
- Dividing 2, 3 and 4- digit numbers by 1-digit numbers
- Dividing with remainders.
- Equivalent fractions
- Improper fractions and mixed numbers
- Comparing and ordering fractions
- Adding and subtracting fractions
- Decimals up to 2 decimal places
- Decimals as fractions
- Understanding thousandths
- Rounding, ordering and comparing decimals
- Percentages as fractions and decimals
- Developing fluency and recall of times table and related division facts.
- Problem solving and reasoning.

International Primary Curriculum (IPC) Topic - The Great, The Bold and the Brave

In History we will be learning about:

- We will be developing our knowledge of the chronology of ancient civilisations. These will include:
Greeks, Romans, Anglo-Saxons, Vikings and Normans.

In International we will be learning about:

- How the local area has evidence of different cultures/ancient civilisations and the reasons in why groups may move or be displaced.

In Art we will be learning about:

- We will be creating 3-D clay creatures using armatures.
- We will be drawing Greek vases with a focus on using wax and water colours to add contrast.

In Music we will be learning about:

- Children will be comparing classical music (from last term) with modern music.
- Children will learn to create a piece of music based on a particular Greek character using their prior knowledge and skills.

In Technology we will be learning about:

- Develop design, make and evaluation skills
- Baking bread and making soup

Local Community Links

- We will be visiting Ufton Court for an Ancient Greek activity day

National Community Links

- A focus on the United Kingdom as our home country.

International Community Links

- A focus on Greece as our host country.

In MFL we will be learning about:

- All around town

In Religious Education we will be learning about:

- Are you inspired? We will explore the work of the Holy Spirit in inspiring Christians in the past and today.

In Science we will be learning about:

- Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit
- Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches
- Use recognised symbols when representing a simple circuit in a diagram
- Working safely with electricity.
- Use knowledge of electrical circuits to design and make a set of traffic lights and a burglar alarm.
- Know about major sources of energy
- Know about renewable and sustainable energy
- Develop enquiry skills

In P.E we will be learning about:

- Tag rugby
- Football
- Swimming
- Dance

In RSHE we will be learning about:

- Caring in the community
- Healthy, committed relationships

In ICT we will be learning about:

- My online life.

Help at Home:

- Literacy and Maths homework will be set on a Friday and will be due in on a Wednesday.
- This is in addition to practising spellings and times tables regularly at home and reading for 10 minutes, 3 times a week.
