Science investigations - the heart and the circulatory system

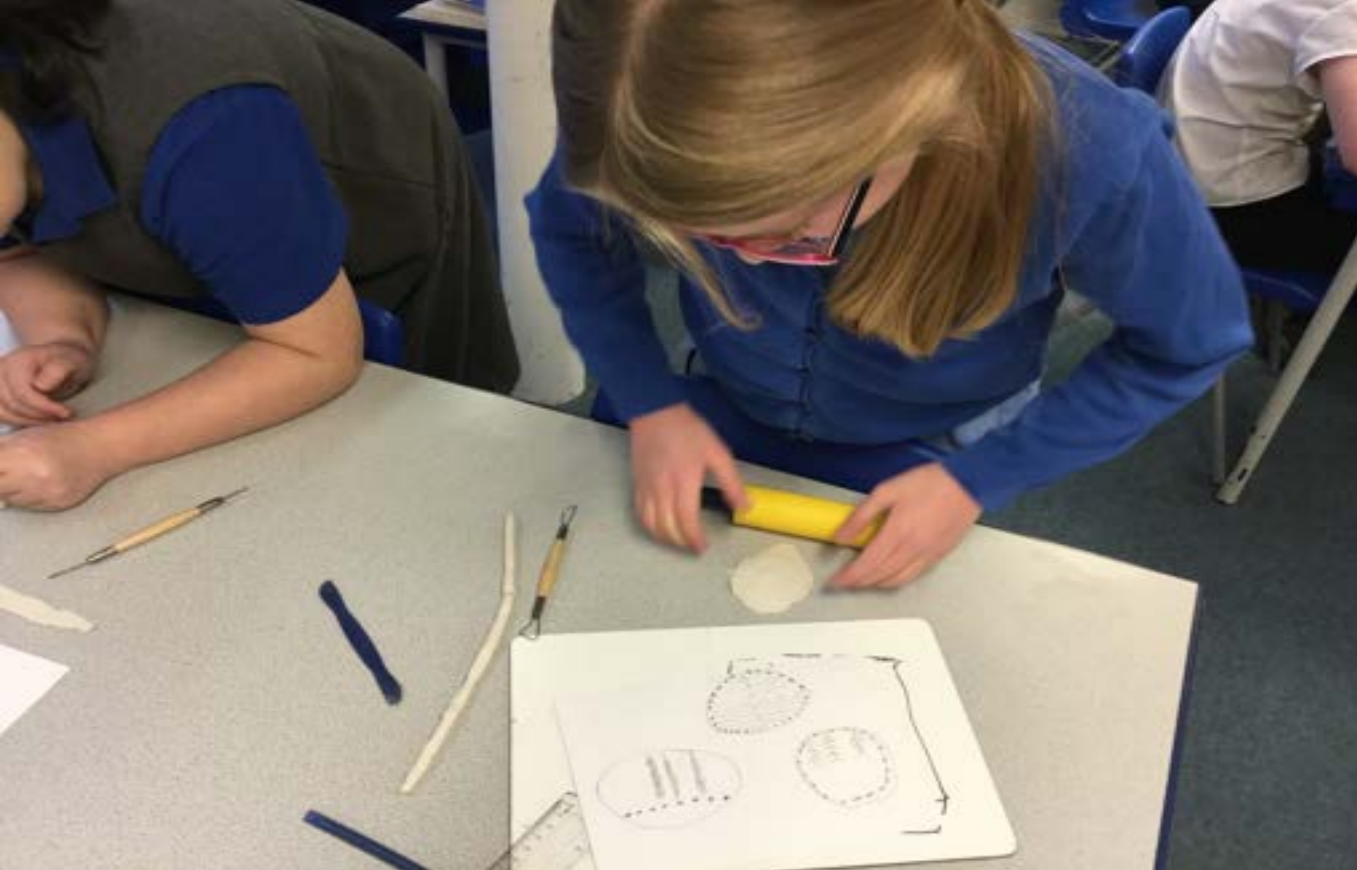

Eucalyptus Town Hall Visit

COINS - visit to St
Mary's Church,
Greenham.
Picture shows our
'scratch nativity'

Roman Museum

A number of Roman hoards have been discovered across the country. These were buried pots or boxes full of coins and jewellery.

Year 6 have created their own hoard of Roman and Celtic coins. We designed and cast our coins using plaster of paris.

Ladies' Jewellery
Roman women loved earrings, bracelets and necklaces. Many beads were decorated with the Evil Eye.
