

# Our Learning Journey in Year 5 – Spring Term 2026

## In Literacy we will be learning:

- Developing spelling, punctuation and grammar skills needed in our writing, for example using dialogue and relative clauses.
- Developing our skills through focused reading sessions and exploring the following texts:
  - Percy Jackson and the Lightning Thief
  - Who Let the Gods Out (class novel)
  - Variety of Greek Myths and Legends
  - Arthur and the Golden Rope
- Developing our understanding of different text types:
  - Narratives
  - Myths
  - Non-Chronological Reports
  - Consolidating text types that we have learnt during the Autumn term.

## In Numeracy we will be learning about:

- Multiplying fractions
- Multiplying 2, 3 and 4-digit numbers by 2-digit numbers
- Dividing 2, 3 and 4- digit numbers by 1-digit numbers
- Dividing with remainders.
- Decimals up to 2 decimal places
- Decimals as fractions
- Understanding thousandths
- Rounding, ordering and comparing decimals
- Percentages as fractions and decimals
- Calculating perimeter and area
- Drawing, reading and interpreting line graphs
- Read and interpret tables and timetables
- Developing fluency and recall of times table and related division facts.
- Problem solving and reasoning.

## International Primary Curriculum (IPC) Topic - The Great, The Bold and the Brave

### In History we will be learning about:

- We will be developing our knowledge of the chronology of ancient civilisations. These will include:  
Greeks, Romans, Anglo-Saxons, Vikings and Normans.

### In International we will be learning about:

- The reasons why groups of people may move or be displaced.

### In Art we will be learning about:

- We will be creating 3-D clay mythical creatures.
- We will be drawing Greek vases with a focus on using wax and water colours to add contrast.

### In Music we will be learning about:

- Children will compose a piece of music considering the various musical elements (pitch, tempo and dynamics). Their piece will be a film track that matches an action scene from 'Hercules'. The children will need to consider which instrument to choose and how to play it.

### In Technology we will be learning about:

- Develop designing, making and evaluating skills.
- Learning about different types of bread.
- Baking bread.

### Local Community Links

- An in-school Ancient Greek experience.

### National Community Links

- A focus on the United Kingdom as our home country.

### International Community Links

- A focus on Greece as our host country.

### In Religious Education we will be learning about:

- How does the Bible teach Christians to be wise?
- How and why do Christians show commitment to God?

### In ICT we will be learning about:

- My online life
- Movie Score Producer

### In Science we will be learning about:

#### Electricity

- Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit.
- Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches.
- Use recognised symbols when representing a simple circuit in a diagram.
- Working safely with electricity.
- Use knowledge of electrical circuits to design and make a set of traffic lights.
- Know about major sources of energy (renewable and sustainable).

### In P.E we will be learning about:

- Touch rugby
- Netball
- Dance
- Curling

### In RSHE we will be learning about:

- Caring in the community
- Money sense - money safety and budgeting
- Healthy, committed relationships
- Careers and enterprise

### In MFL we will be learning about:

- School life

### Help at Home:

- Literacy and Maths homework will be set on a Friday and will be due in on a Wednesday.
- This is in addition to practising spellings and times tables regularly at home and reading for 90 minutes a week.
