

The Willows Primary School PTFA

Registered Charity Number: 1011135

The Willows Parents, Teachers and Friends Association (PTFA) is a registered charity, set up to raise funds for the school.

As well as our elected committee, we also have a small group of volunteers, who help us to organise our fundraising events.

All families are automatically members of the PTFA when their child joins our school and we welcome all parents/carers and members of the school community to get involved.

We plan a calendar of exciting events, throughout the year for pupils and parents alike, to help raise money for the school.

The money we raise pays for learning enrichment experiences for the children, school equipment, educational materials and events such as the Christmas pantomime.

In addition to these ongoing commitments, we also fundraise each year towards a specific target. In the past, we have raised funds to buy a new school minibus, smartboards for the classrooms, and school playground equipment.

We need your help!

As with any PTFA, we are only as strong as our volunteers, and we are always looking for people who are keen to help. We meet at 7:30 PM, on the second Wednesday of each month, at The Two Watermills pub. Our meetings are friendly and relaxed, and everyone is welcome.
